# LETTER OF APPRECIATION

### Kind Attn.: Mr. Ahmad Reza Saffar Tabassi

Managing Director, Atlas Afrooz Shargh Company

The technical and engineering position is certainly very significant in 20-year perspective document of Iran, especially in the year of National Production and Support of the Iranian Labor and Capital.

It is a national duty to revere and glorify the activists of this field as the pioneers in technology and modern knowledge-base engineering and in return of their efforts, the first festival was held to glorify the select technical and engineering units.

As per the performed evaluations, the company, under the management of your Excellency, is chosen as the select technical and engineering unit and this letter and festival status is awarded to the manager and employees of that company to appreciate their efforts.

Hoping your success and promotion through the assistant of God and based upon the knowledge and experts of activities.
